# Junior Designer

**Salary: £23,062.25**

---

We are not just a creative agency. We are Engaging Education.

We are experts in creative services, working with local authorities, businesses, Multi Academy Trusts (MATs), national organisations, charities, schools and more to create campaigns that transform lives.

We're looking for a Junior Designer to support our growing Design Team.

## Position Overview

As a Junior designer at Engaging Education, you will work on a wide variety of visual communication material; from print materials, to digital/web design and large-scale interior projects.

## Key Responsibilities

- Liaise with account managers and, in cases, clients directly, to understand, and deliver to project and client needs.
- Work with other team members to offer concepts and ideas.
- Deliver exciting and engaging design solutions.
- Utilise company systems to ensure quality and attention to detail.
- Articulate design decisions well for both internal and external communication.
- Demonstrate good time management and ability to manage multiple projects within your schedule.
- Consistently demonstrate the Engaging Education values both internally and externally.
- Ensure high levels of communication across all internal and external networks.
